Questions to ask exhibitors

Here are some questions to help you when chatting to exhibitors.

APPRENTICESHIPS:

- How do I apply for your apprenticeship?
- When does your apprenticeship recruitment start?
- What does the recruitment process involve?
- What would a typical day be like?
- Will there be opportunities for further training and development?
- How will my time be divided between working and learning?
- Do you offer permanent positions after the apprenticeship has ended?

TRAINING/COURSES:

- How do I apply for one of your courses?
- What are the entry requirements for the course/training?
- How long does the course last?
- What qualification will I get if I successfully complete the course/training?
- How many days a week will I attend the college/centre?
- If I don't get my GCSE maths and/or English, do you offer the opportunity to re-sit them?
- What sort of jobs have people gone into once they have finished these courses?
